VISION

To be an indispensable Multi-Modal Transport Leader to the Global economy.

MISSION

To provide a high-value-added logistics system that helps clients improve work efficiency while reducing costs. To create a flow of goods on a global scale. We offer a total package consisting of the transportation means required to deliver cargo to its destination.

OUR STRENGTHS

CUSTOMIZED SERVICE

To meet our client's needs, we bring a wealth of know-how in ascertaining and analyzing a client's logistics needs. Every client has different needs, a different timeline, and has different logistics flow. We offer ideas about how to reduce operational costs and lower environmental impact. Swift Cargo International Forwarding Inc relies on its skills as a logistics professional and the rich store of know-how accumulated thru its previous project and skilled, knowledgeable, and expert Team members to custom-tailor its original integrated logistics services.

BORDERLESS CONNECTION

We have been expanding our international multimodal transport network by establishing local affiliates and overseas. As an international logistics coordinator, we are actively developing connections internationally to expand and strengthen Swift Cargo's international network.

BUSINESS PARTNER

While cost is always on the short list of important items, fulfillment is the top priority. Freight is delivered on time and in good condition. We are not just a vendor/supplier, but we are your business partner.
